**ORDER**

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

The Court has received multiple emails from the parties concerning the scope of the deposition of Mr. Sullivan slated to take place tomorrow, August 10. The parties shall file their emails as correspondence on ECF.

As previously instructed, questioning of Mr. Sullivan must be focused on the claims in the second action, the 102 late-produced documents, and the content of those documents. Additionally, questions may be posed concerning claims in the first action to the extent the content of the late-produced documents is relevant to those claims. Questioning, however, may not repeat questioning from Mr. Sullivan's previous deposition.

SO ORDERED.
